

### Remarks

In response to the restriction requirement set forth in the October 23, 2003 Office action, claims directed to organizing a search for a service provider wherein stored location information is erased at power down are elected. These claims include claims 1-10, newly added claim 40, and claims 11-19, amended to depend from new claim 40. Claims 20-39 are canceled without prejudice.

Applicant now awaits an action on the merits. Should there be any questions regarding this application, Examiner Tran is invited to contact the undersigned attorney at the telephone number shown below.

Respectfully submitted,
